

EVENT BULLETIN

Christmas 2006

Produced By Greg Galloway of The Corporate Special Event Network

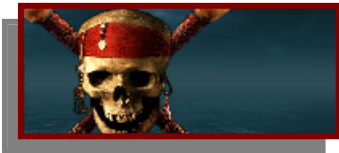

Overview

The Corporate Special Event Network can assist with all the various components of your upcoming 2006 corporate Christmas/holiday party. This includes unique venue suggestions, spectacular theme decors, catering/beverage service, entertainment options, digital pictures and video service. The Corporate Special Event Network has one of the most experienced event planning teams in Vancouver whose unique corporate events always WOW! the guests.

Children's Christmas Parties

Pirates of the Caribbean

This very unique and entertaining "Pirates of the Caribbean" Children's Christmas Party includes unbelievable Pirates of the Caribbean theme décor from a Treasure Island entrance to a "Black Pearl" pirate ship stage complete with ropes, ships steering wheel, mast, pirate's gangplank, faux cannon and a spectacular 12' hanging pirate skeleton. Entertainment options would include roving pirate characters, games and craft coordinators, pirate sketch artist and a spectacular one hour "Pirates of the Caribbean Magic Tribute Show" that you've got to see to believe. To view a 3 minute digital video of the "Pirates of the Caribbean Magic Tribute Show" that the Corporate Special Event Network recently held at Science World Telus Theatre, please refer to the June 2006 Special Pirates of the Caribbean Event Bulletin.

Christmas at Hogwarts

Last year, the Corporate Special Event Network produced a spectacular "Christmas at Hogwarts" corporate event for over 500 employees and their children.

This event included unique decor from the iron gate entrance to Hogwarts Castle to the incredible main stage that encompassed a life like 6' wizard statue, roving Harry Potter characters such as Hagrid, games coordinators in theme attire, Hogwarts sketch artist and a one hour stage show with an amazing wizard magician. The spectacular finale of the show has Santa magically appearing from a large Christmas box on stage. To view a short digital from the 2005 "Christmas at Hogwarts" theme event . The final and 7th book of J. K. Rowling's, Harry Potter series is being launched in the fall of 2007, so [Click here for video](#) a "Christmas at Hogwarts" children's party would be a perfect lead-in for a Harry Potter theme 2007 book launch event.

In 2003, the Corporate Special Event Network produced a large scale "Welcome to Hogwarts" event that was nominated for Best Corporate Entertainment Event in Canada by the Canadian Special Events Industry.

Adult Theme Christmas Parties

The Corporate Special Event Network has developed several unique theme Christmas/holiday parties ranging from Pirates of the Caribbean, and Polynesian Christmas to Elvis Theme Christmas, Rocking 50's and 60's Holiday Party, and even a Jimmy Buffet Margaritaville Christmas. To view a sample digital video of a Rocking 50's Party go to www.assist.neptune.com, then click onto CSEN Showcase.

Jimmy Buffet Tropical Margaritaville Christmas

The Jimmy Buffet Tropical Margaritaville Christmas is a very lively and colorful theme event that would include some of the following components: tropical décor from large faux palm trees wrapped with mini white lights, faux sand, sea shells, and colorful tropical beach umbrellas to banana leaf thatched beach hut bar, tiki torches, pink flamingos and colorful faux parrots. Entertainment options would include Caribbean Steel Band, Jimmy Buffet style "Coral Reefer Band" as well as limbo contests. South Florida/Caribbean menu and beverage options would be available on request.

Entertainment Options

The Corporate Special Event Network can arrange a wide array of entertainment options for any event including Christmas/holiday functions such as live bands, DJ service, caricature artists, tribute artists, magicians, tattoo artists, psychics and casino-related fun.

Specialty Christmas / Holiday Products

The Corporate Special Event Network can arrange the following event products for your upcoming corporate Christmas/holiday party to add a little pizzazz.

Retro Photo Booth

The classic retro photo booth is a huge hit at corporate events. The retro booth prints out black and white photos with the push of one button. The photo booth requires a minimal wait of two minutes to develop each black and white picture strip. The retro photo booth is the perfect way to add something unique and fun to your corporate Christmas /holiday party.

Specialty Christmas / Holiday Products continued

LED Ice Cubes and Drink Stir Sticks

Retro LED ice cubes and drink stir sticks. The LED batteries can be turned off, on or to flashing, which creates a dramatic effect. The LED ice cubes come in a variety of brilliant colors ranging from hot pink to turquoise. To view a short digital video of this unique and fun product, go to www.assist.neptune.com, and then click onto CSEN Showcase.

Martini Luge

Double Track Martini Luge – The ice luge would be 3' x 24" and include a double track to prepare drinks such as a delicious apple martini. Ice luge includes laser cut corporate logo, back lighting, drip tray and linen.

Wurlitzer Bubble Juke Box

This beautifully restored Wurlitzer Bubble Juke Box will add some dazzle and wow to any event. The juke box includes up to 1,500 computerized one touch classic rock and roll tunes. The Wurlitzer Juke Box would work well with a retro Rocking Holiday theme party.
